**Happy 2016:**

**2015 was a challenging and really tough year for most; but we survived against so many situations and we thank you for your trust and support.**

**2016 is already on; and we are facing many challenges focusing on the positive, on the possibilities of those challenges and working hard as a #1 Team.**

**It is time to focus and work together. We have faith in our TEAM and are looking forward to be of service to you and your team as well. 2016 is going to be challenging, but, WE can do it!**

**Thank you very much for your business!**

*Process Automation Systems Solutions*

**Our Team is always ready, updated with trainings and new data. We are committed to good customer service and support to our valuable customers and vendors. We may not have all the answers, but we have all the willingness and best interest to help, assist, and provide alternatives and to go the extra mile. We are here for you; **P.A.S. Technologies, Inc.** is going places with you, with our top of the line products.**

**Two of our Team members went last December to Mexico for training in Factory Automation. Aurelio Agelviz and Raymond Cruz had the opportunity to meet with the Pepperl and Fuchs team and other Reps from Latin America, to get hands on training on new equipments. In preparation for 2016 with new products and excellent alternatives to our customers.**
